Acknowledgments

Since I am and have been unable to get around, I have had to depend on others to get much of the information contained in this book. To mention just a few:- Miss Flossie Marie Saufley, for her inspiration and record of her father's family; to Dr. M. Ellsworth Kyger for his suggestions and his grandmother's family record; to Mrs. Edna Fulmer for her untiring efforts in securing the Margaret Ann Saufley family record; to Margaret Hanna Burruss for her help with the Mary Catherine Saufley family record and old manuscripts; to Mr. Hubert Brown Saufley for his family record and his poems. And to many others.

Our grateful thanks to all who have in any way contributed to the successful completion of this book.

Compiled and published by G. C. Saufley, Box 372, R.D. # 2,
Hummelstown, Penna., in 1961.

- Foreword -

It is hoped the information contained in this family history will be both informative and interesting to those who read it.

Beginning with William Saufley who was born over a century ago up to the present time, 1961.

Those who have been compiling it hope it will recall to our minds relations of years back, also bring to our minds those who are living today to carry on the family name and heritage.

Many hundreds have been added to the clan and are widely scattered over our nation, and we hope are contributing much in helping make our world a better place in which to live.

From many sources have come information wanted.

Perfection is highly desirable in a book of this kind, it has been difficult to attain that.

There may be errors and possibly some omissions which were entirely unintentional.

To all those who have furnished records, pictures or who have contributed in any way, we are grateful.

Especially to Grover Cleveland Saufley who was instrumental in beginning and patiently carrying on, in spite of many handicaps the work of completing it, we owe our heartfelt thanks.

Flossie Marie Saufley

Preface

As you peruse the pages of this genealogy of grandfather William Saufley, I hope it will bring to you memories of yesteryear, also pleasure and profit.

When Edgar Wilson Nye wrote his book entitled "Bill Nye's Red Book", (published in flaming red covers), he said that he was hoping to write the biggest and best, and if possible, the readest book he had ever written. We do not expect this to be the readest of your books, for though we think you will obtain much information about your ancestors you will likely not find elsewhere. There is a Book, however, that tells you of your origin and your destination. Yes, you guessed it, the Bible. I feel I should mention it here because it is a Book that today is not only being neglected but also rejected. And that is the cause of the confusion, crime and corruption in the world today.

"God created man in his own image. Male and female created He them. And God saw everything that He had made, and behold, it was very good." Man was placed in the garden of Eden, a most perfect environment, but man disobeyed God and was driven out of the garden. Man fell and he fell so low that the Saviour said, "Ye are of your father the Devil and the works of your father will ye do. The Devil sinneth from the beginning. There is none that doeth good and sinneth not. No, not one. All have sinned and come short of the glory of God. The wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord. By grace are ye saved through faith, and that not of yourselves; it is the gift of God. Not of works, lest any man should boast. The wicked shall be turned into hell and all the nations that forget God. But he that doeth the will of God abideth forever. It is not the Lord's will that any should perish, but that all should come to repentance. For God hath not appointed us unto wrath, but to obtain salvation by our Lord Jesus Christ. For there is none other name under heaven given among men whereby we must be saved. Without faith it is impossible to please

Him. Faith cometh by hearing and hearing by the Word of God. Verily, verily I say unto you, He that heareth my word, and believeth on Him that sent Me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life."

It is not my intention to preach you a sermon or to quote the entire Bible here, but to impress upon you its importance; for the Holy Scriptures are able to make you wise unto salvation. So read your Bible, and if you do not have one, "sell your garment and buy one."

I would not be true to my convictions if I said nothing here about our present economy: There was a time when God was given a place in the majority of our homes. There was a time when our money had an intrinsic value. To say a piece of paper two and a half by six inches in size is worth \$10, \$100, or \$1,000 dollars with nothing of intrinsic value back of it, is not true. There was a time when you could exchange One Dollar of paper money for One Gold Dollar, now it is unlawful for you or I as an American citizen to own gold as bullion or coins. There was a time that Americans were proud of their Constitutional Republican form of government. All these are disappearing and with them our freedom. If the present trend continues it will not be ten years (perhaps not five) until we will be slaves living under the iron heel of a Satan-inspired Communist Dictator, provided the Lord tarries. Then all that we hold dear and sacred will be taken from us. I am told that Article 19 of the Constitution of the United Nations provides that if any nation in arrears in the payment of their contributions to the Organization shall forfeit their right to vote. Some ninety of the so-called poorer nations were in arrears, and the President picked up the tabs and brought them up to date.* Some of these nations have consistently voted against the United States. Under our present economy out unit

* How could anyone be so dense and be President of the greatest nation in the world?

of exchange (the dollar) is becoming worth less and less until it will soon become worthless.

May the Lord preserve us from Communism and ever keep us to honor and glorify His name.

Sincerely and respectfully,

Grover Cleveland Saufley

Call To Patriots

Editor:

You are to be commended for printing the article, "The Snare of Defeatism," (by Henry J. Taylor), in the issue of Oct. 2. And also the letter by Mr. A. J. Watson in a recent issue.

It seems that the patriots of yesteryear are an almost extinct species. Our forefathers fought, bled and died that you and I might not live in slavery, and mankind today is threatened by a slavery infinitely worse than that with which we were threatened in 1776 or in 1961. Worse--else why are so many risking their lives (and some dying) in the attempt to reach freedom?

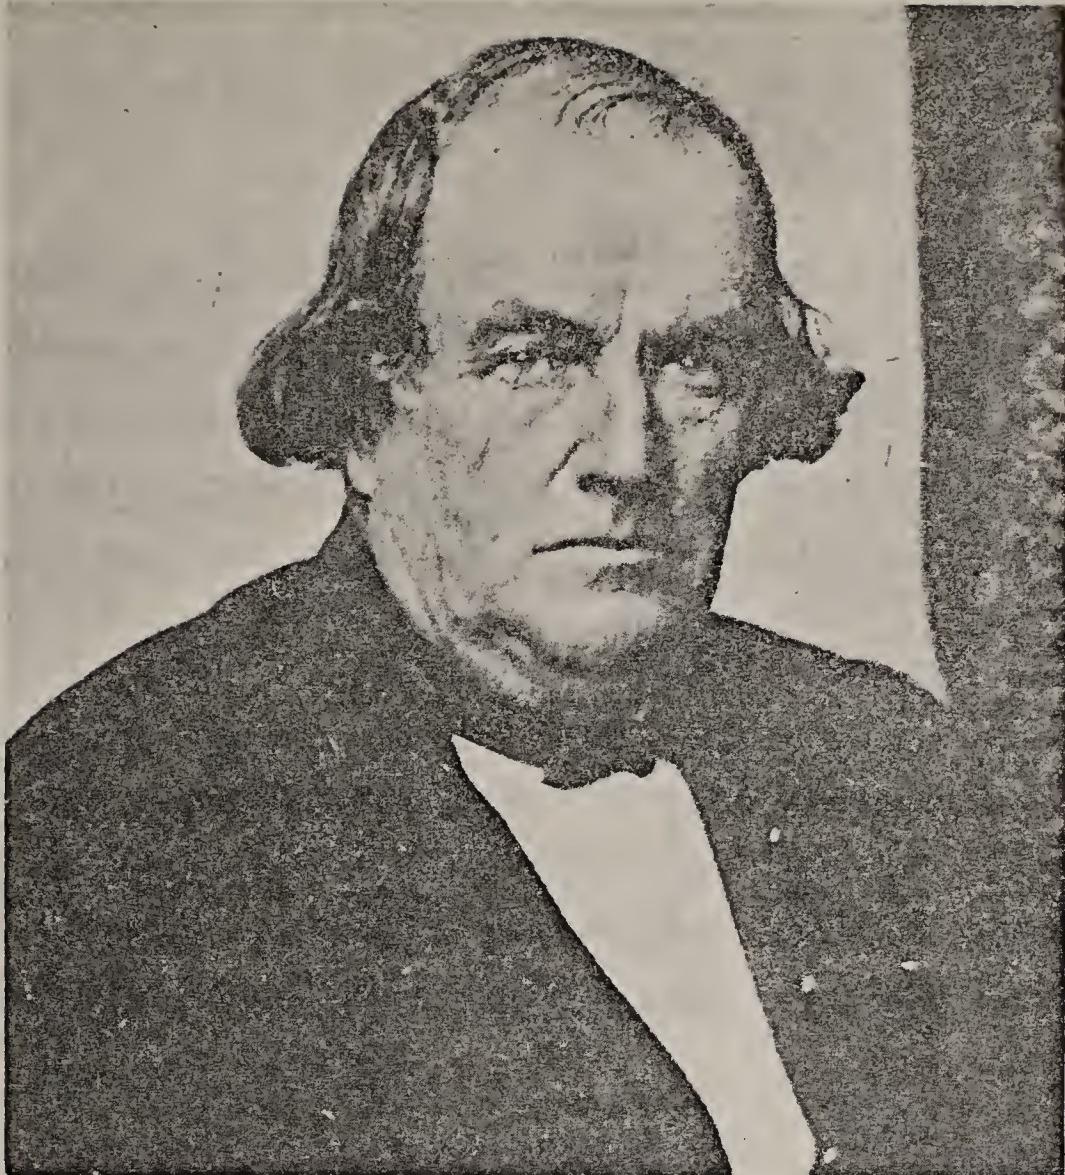

Better dead than Red!

My last letter to the Patriot News-

Disgrace The Monkeys'

Three monkeys sat in a cocoanut tree
Discussing things as they're said to be.
Said one to the other, "Now listen, You two
There's a certain rumor that can't be true;
That man descended from our noble race,
The very idea is a disgrace.
No monkey ever deserted his wife,
Starved her babies and ruined her Life.
And you've never known a mother Monk
To leave her babies with others to bunk,
Or pass them on from one to another,
Till they scarcely know who is Their mother.
And another thing you'll never see;
A monkey build a fence, round a Cocoanut tree
And let the cocoanuts go to waste,
Forbidding all other Monks to taste.
Why, if I put a fence around a tree,
Starvation will force you to steal from me.
Here's another thing a Monk won't do;
Go out at night and get On a Stew,
Or use a gun or club or knife.
To take some other Monkey's life.
Yes, Man descended, the Ornery cuss;
But Brother, he didn't Descend from us."

William Saufley

The Life of William Saufley, The Pioneer Member
-:Of The Rockingham Home Mutual Fire Insurance Company:-

He was the oldest son of George Saufley, born July 27th, 1808, near Sunny Side, Rockingham Co., Va., on the farm now owned by Luther Saufley; not in the same dwelling now occupied by him, but in a brick building which stood on the same foundation.

Grandfather Saufley was married to Margaret Altaffer, Nov. 25th, 1830. To this union was born ten children - five sons and five daughters; two daughters dying in infancy; the remaining eight children grew to man-hood and woman-hood and became substantial and respected residents of Rockingham Co., Va., with the exception of one daughter who located in Elkhart Co., Ind. Soon after his marriage, Grandfather purchased and moved to the farm, since owned by his son--the late George H. Saufley, where he lived the remainder of his life.

He was a faithful, consistent member of the Methodist Church.

As to politics--he was a Democrat, though bitterly opposed to the order of Secession.

He was a farmer and a hard working man, doing manual labor until about fifty years of age, when business of a more public nature claimed most of his attention. Possessing only a limited education, and having little talent as a speaker, yet he was considered a man of ability, having more than ordinary intelligence and good judgment, and served as magistrate for a number of years in his Magisterial District.

About 1866-67 he visited the West, visiting in Iowa, Missouri and Ind. While visiting his daughter in Elkhart Co., Ind., he learned of a Fire Insurance Company, organized and operated for the mutual benefit of the Policy Holders; which would provide insurance for those who considered the high rates charged by the Old Line companies as prohibitive.

Upon returning home, he talked with his friends and neighbors - and impressed upon them how far superior this organization would prove in comparison with these other companies, and what benefits were to be derived from the organization of such a Company; hence it was largely through Grandfather Saufley's efforts that the Rockingham Home Mutual Insurance Company was organized in 1869 with eight Charter Members, - William Saufley, Isaac Long, Edward Kemper, George W. Kemper, Joseph B. Webb, Peter Showalter, Samuel Good and Jonathan Miller.

Grandfather Saufley was elected the first President of the Company. He went before the General Assembly of Virginia and obtained their Charter. The meetings of the Company were first held at old Shady Grove Church. How long the meetings were held here, and the length of time Grandfather was retained as President, I am unable to tell, but the Company had been organized only a little more than three years when William Saufley was called to his reward--Apr. 6, 1872.

Mother

Day by day and week by week,
Month by month and year by year,
All she ever seemed to seek
Was our health and comfort here,
Every thought and every deed
Were for things which we might need.

Cookies on the pantry shelves,
Cakes and pies and all things sweet
Kept where we could help ourselves,
Thus she braved the kitchen's heat,
Toil seemed nothing unto her
If it made us happier.

Constant watch and constant care
These she gave when we were small,
Keeping garments in repair
Left her little rest at all,
But she braved it through that we
Might be fit for folks to see.

Oh, how often she was tasked!
Oh, how tired those hands became,
But no more than this she asked,
That our eyes with joy should flame,
Just for this she labored long;
We must prosper and be strong.

Others give and in return
Hope for favors later on,
But in time all children learn,
Friend unselfish there's but one!
Mother smiled at many an ache
Suffering for her children's sake.

Retrospect

In looking back o'er the span of years
We recall a great many dear faces
Of those who have shared our joys and tears,
And helped us in many hard places.

A father, whose fingers were calloused and worn
In order that we might be fed;
His shirt, it was mended, his trousers were torn,
But he kept a roof over our head.

A mother, whose forehead was wrinkled with care
For those who were close to her heart;
How often she went to the Saviour in prayer
To keep us from drifting apart.

The little old lady, who lived all alone
In a cottage that stood by the stream;
Who invited us in, when the cookies were done,
To share them with berries and cream.

Remember the blind man, who came for a meal,
Or to tell us a story or two,
His tales were so vivid because they were real,
Though not necessarily new.

Who can forget the neighbors who came
When some one was injured or ill?
Their kind ministrations should put us to shame,
We cherish their memory still.

Or the kindly old minister, humble yet bold,
Who stopped, while making his rounds;
And after explaining the precepts of old,
He told us of grace that abounds.

Retrospect (Cont'd)

Lord, bless the teachers, who always were there
To lend us a kind helping hand;
Their knowledge and training, were ready to share,
When we couldn't quite understand.

These were our friends in days that are past;
We could mention a multitude more;
Many have gone, but their mem'ries will last
'till we meet on eternity's shore.

Sylvia

I went to home of loved ones,
All seemed so dear to me;
There met a little stranger
Who came with them to be.

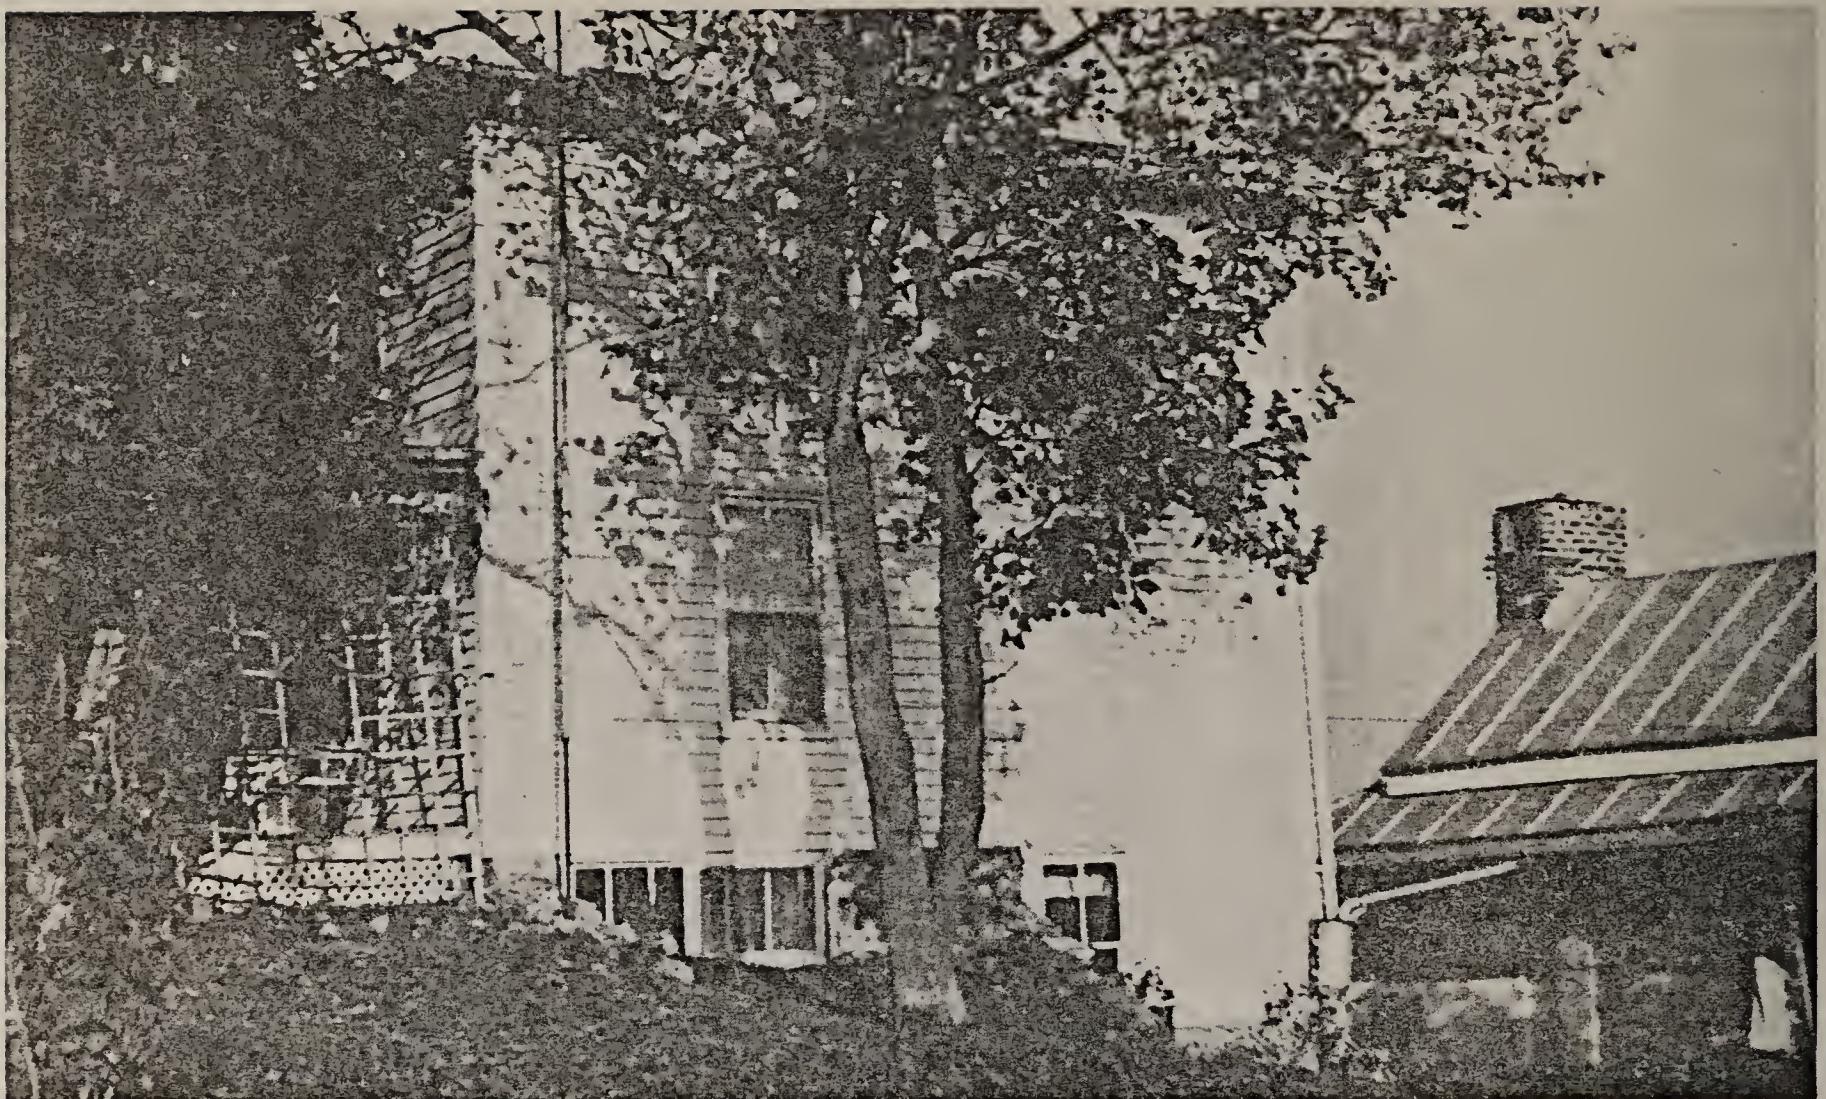

Her loved ones named her Sylvia,
And in addition Belle;
What is in store for baby,
Recording angels tell.

Some think she looks like mama;
Some in her papa see.
Some think she is a Saufley,
And others Smith maybe.

Be that as you may fancy,
Surmise just as you will;
We feel no other baby
Our Sylvia's place can fill.

We must not worship baby,
Her God would we adore;
And with our little Sylvia
We'll praise Him ever more.

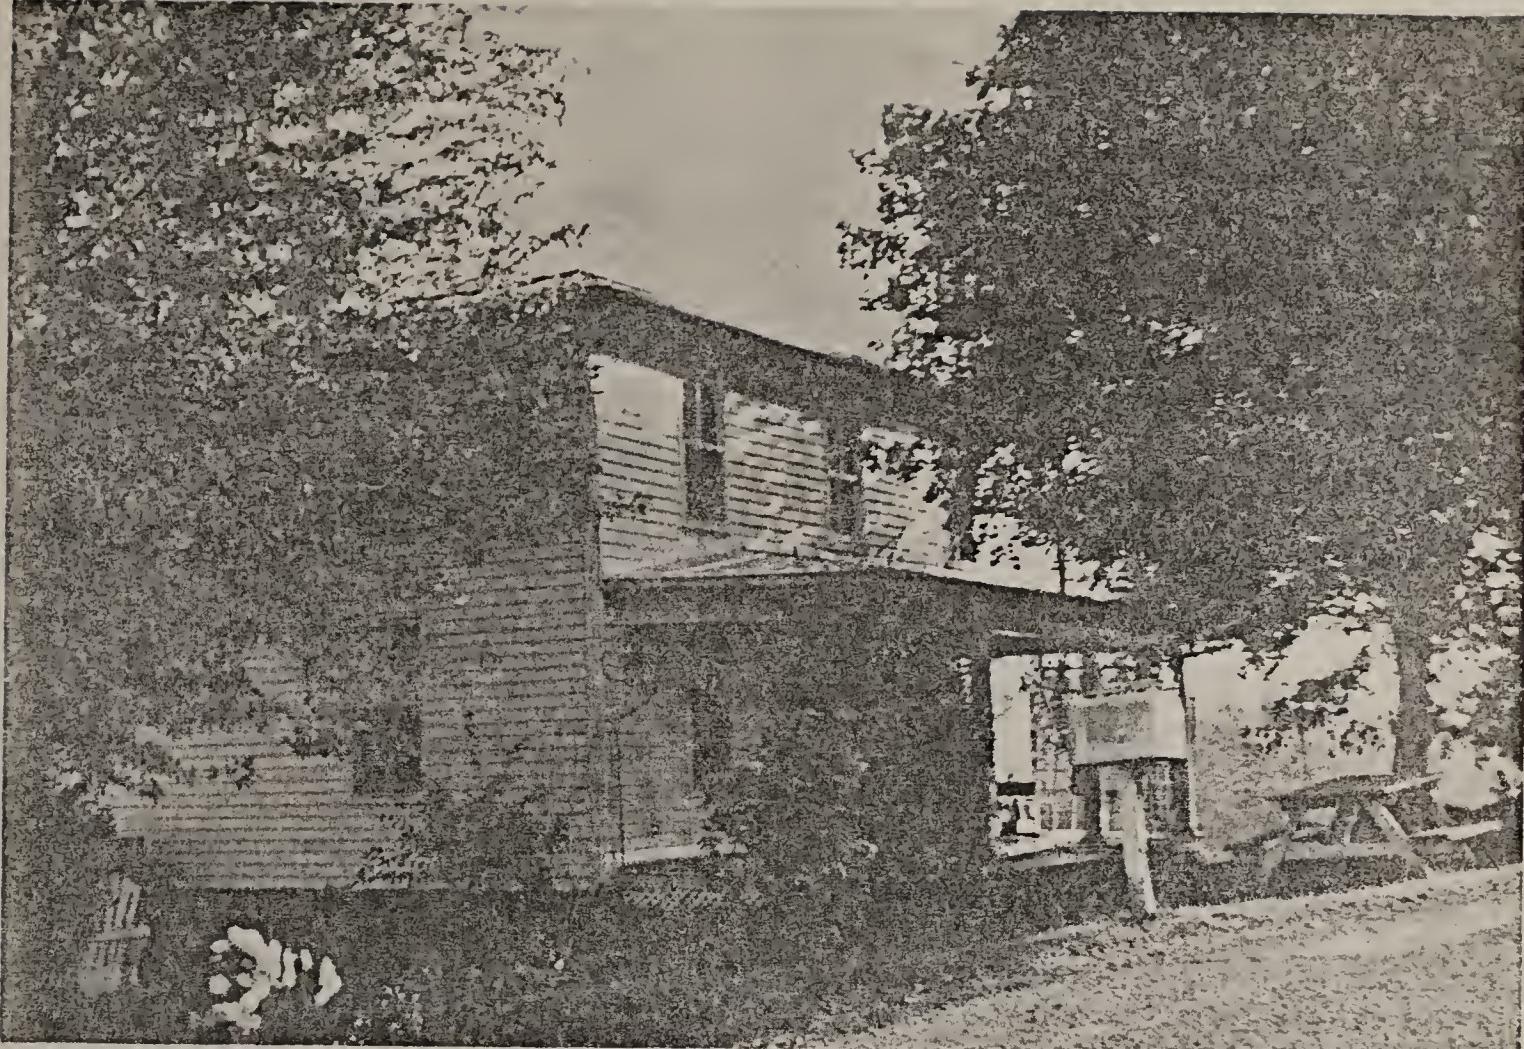

By Rev. Abram M. Evers
(A great great uncle)
Written when Sylvia was
six weeks old.

Dear Mr. Saufley:

After I wrote you in March, later I found a record of the Jacob Showalter and Sophia Saufley family, which I am enclosing. My great grandfather was Peter Showalter his son John B. was my grandfather. I know his brothers, Samuel and Peter, my great uncles and great aunts, Mary Diehl and Frances Good. I didn't know uncle Peter's twin daughters Mrs. Diehl and Mrs. Peifer but the six others and Edwin I knew or know well.

Earl's father was William and the son of George Showalter, I believe. I meant to send a copy of this record soon after I found it in an old Bible great grandfather Showalter gave to my grandfather when he married Elizabeth Frances Hetrick in 1850.

My father was Wise W. Showalter who had four sisters.

Sincerely,
Maud C. Immel

A Perfect Day

Grandmother, on a winter's day,
Milked the cows and fed them hay,
Slopped the hogs, saddled the mule,
And got the children off to school;
Did a washing, mopped the floors,
Washed the windows, and did some chores;
Cooked a dish of home-dried fruit,
Pressed her husband's Sunday suit,
Swept the parlor, made the bed,
Baked a dozen loaves of bread,
Split some firewood, and lugged in
Enough to fill the kitchen bin;
Cleaned the lamps and put in oil,
Stewed some apples she thought might spoil;
Churned the butter, baked a cake,
Then exclaimed, "For heaven's sake!
The calves have got out of the pen,"
Went out and chased them in again;
Gathered the eggs and locked the stable,
Back to the house and set the table,
Cooked a supper that was delicious,
And afterward washed up all the dishes;
Fed the cat and sprinkled the clothes,
Mended a basketfull of clothes,
Then opened the organ and began to play
"When you come to the End of a Perfect Day".
